

However, dismissal of the action prior to a settlement being consummated would substantially prejudice the parties by creating uncertainty and depriving the parties of a forum for finalizing the resolution of this action through settlement or otherwise.

Therefore, Plaintiff respectfully requests that the Court extend the time for the filing of a stipulation of dismissal or agreed final order and delay its dismissal of the action by thirty days or another period of time the Court deems appropriate so that the parties can finalize their settlement or take other action.

Dated: December 7, 2010

Respectfully submitted,

MILLER & MARTIN PLLC
